Liverpool - Wigan North Western or Blackpool North and extra trains between Wigan North Western and Preston

First TransPennine Express

This timetable has been produced by Merseytravel on behalf of the featured Train Operating Companies

Borderlands Line

Enjoy some wonderful days out on the Borderlands Line

The Borderlands Line is a great value way to travel through breathtaking countryside to North Wales. This scenic and heritage rich route includes some great days out for all the family and offers everything from historic landmarks to stunning country walks.

Caergwre Castle

Heritage trail Buckley

Wrexham Town Centre

Wrexham museum

The line also connects you with some great day trip destinations including North Wales Coast or Chester available from Shotton low level station, and Shrewsbury from Wrexham General. So whether you want to escape from it all, have a day shopping with family and friends or an activity day, the Borderlands Line will take you there through some beautiful scenery along the way!

Gladstone library and coffee shop

Ice skating at Deeside ice rink

Eagles Meadow Wrexham

Neston Town Centre

To find out more information on great days out and ticket prices, visit www.borderlandslines.com

EAST MIDLANDS TRAINS

First TransPennine Express

December 2011 December 2011 December 2011 December 2011 Decem

An electrifying future for the North West

Network Rail, the owner of Britain's railway track and infrastructure, is electrifying key rail routes across the North West to make train services faster, quieter and more reliable.

This major investment will improve rail travel between Liverpool and Manchester, Preston and Blackpool and will enable more trains with additional seats to run.

Electrifying the railway in the North West will enhance approximately 300km of some of Britain's busiest rail track; will support the North's long-term, low-carbon economic growth, and better connect people to jobs, services, friends, family, education and leisure.

So, why electrify?

Electric trains have 20% more seats than diesel trains. They are lighter and cause less damage to the track, resulting in a more reliable railway. Electric trains can get up to speed quicker and have superior braking systems, making journeys quicker, especially in urban areas where there are frequent station stops. Electric trains emit around 20-35% less carbon per passenger than diesel trains. There are zero emissions at the point of use, helping improve air quality pollution 'hot spots' such as city centres and main line stations. The trains are also quieter when waiting at stations.

When will it happen?

The line between Manchester and Newton-le-Willows is expected to be completed in December 2013. The lines between Newton-le-Willows and Liverpool Lime Street and between Huyton and Wigan are expected to be completed by December 2014, with the Preston to Blackpool section of line due for completion in December 2015.

Where can I find more information?

To find out more information and to stay up to date with all the plans, please visit www.networkrail.co.uk/electrification

Christmas and New Year travel

Remember, the rail network shuts down on Christmas Day and Boxing Day and services stop running earlier than normal on Christmas Eve and New Year's Eve.

Please double check your train times before setting off if you're travelling over the holiday period.

You'll find lots of useful information to help you plan your journey over the Christmas holiday at merseytravel.gov.uk

Changes in this issue: some times have changed.

Code: **10** - Allow 10 minutes for connections between trains at this station

For details of all trains from **Huyton and Edge Hill to Liverpool** - see City Line Book 1

Customer Services

We would like to hear from you!

We at Merseytravel work with the train operators to deliver services that meet our customers' needs and expectations. The Northern Rail Passengers' Charter tells you, as a customer, the standard of service you are entitled to expect and the refund arrangements if the service does not meet these standards. The charter is available from all staffed City Line stations.

If you have any comments about your Merseyrail service, you should write to or phone the train operator who provides your service. Merseyrail City Line trains are operated by Northern.

Longer distance services shown in this timetable are operated by either Arriva Trains Wales, East Midlands Trains, First TransPennine Express, London Midland or Virgin Trains. The names and addresses of these train operators are shown below. They will do all they can to deal with comments and suggestions about their services.

The Operator Codes (for example **NT**) shown on the timetable pages, tell you which company operates your train.

Northern (NT)

Large-print timetables

If you need large-print copies of any Merseyrail or local bus timetable, please call us on **0151 330 1041**. We'll send the timetables to you by post as fast as we can,

Further information

You'll find lots more useful information about travelling by train in the 'Helping you with your journey' guide, available from your local Merseytravel Centre, staffed Merseyrail station or by calling our 24-hour order line on 0151 330 1066.

You can also download a copy from the Train Timetables section of our website at merseytravel.gov.uk

This timetable has been produced by Merseytravel. We've done our best to make sure that all the information is correct when it was printed in November 2011, but please remember, that changes can be made at short notice. We'll always keep the versions on our website up-to-date. You can check the information in this book is correct by visiting the Train Timetables section at merseytravel.gov.uk or by calling 08457 48 49 50.

Engineering WORKS

Engineering works are necessary to help improve and maintain services. Even so, they can be frustrating and cause disruption - the train operators apologise for any inconvenience.

There's some major engineering work taking place over the next few months, which will affect Merseyrail services.

City Line: Liverpool Lime Street - Newton-le-Willows - Manchester

This route will be affected at weekends from 18 February - 25 March 2012. On Saturdays, buses will replace trains between Liverpool and Earlestown; on Sundays, Northern services between Liverpool and Manchester Oxford Road will be replaced by buses.

City Line: Liverpool Lime Street - Wigan North Western

Trains will be replaced by buses between Liverpool Lime Street and Wigan North Western at weekends from 18 February - 25 March 2012. Then from 31 March - 13 May trains will terminate at Huyton with replacement buses running between Huyton and Wigan. Trains will run normally on Saturday 14 April for the Grand National.

Northern Line: Hunts Cross or Liverpool - Kirkby, Ormskirk and Southport

On 27 and 28 December 2011, trains will be replaced by buses between Liverpool Central, Bootle Oriol Road, Rice Lane and Walton due to major engineering work in the Sandhills area.

Northern and Wirral Lines: Liverpool Central station

From April 2012, a major station refurbishment programme will be taking place at Liverpool Central. Visit merseyrail.org/mycentral to sign up for updates and timetable information.

Other planned engineering work takes place throughout the year. You can keep up to date with what's happening across the network in a number of ways...

Every week, we publish a Travel News Update advert in the free papers that get delivered across homes throughout Merseyside. In the advert, we let you know about any changes that are taking place to trains during the following week.

We publish information about planned changes to services on the Train Alerts section of our website. Visit merseytravel.gov.uk and click the link on the homepage or scan this code with your smartphone to visit the alerts page.

You can also call Traveline Merseyside on 0871 200 22 33. Our friendly staff will help you plan your journey using public transport across Merseyside. They've got all the latest information at their fingertips, so they'll also let you know about any planned works.

If you're travelling further afield, you can log on to northernrail.org for information about planned engineering work across the Northern network, or, for information about longer distance services, visit nationalrail.co.uk or call National Rail Enquiries on 08457 48 49 50.

Travelling to Liverpool John Lennon Airport?

Get off the train at Liverpool South Parkway then catch the AirLink 501 shuttle bus direct to the airport.
