December 2007

## Opening up Merseyside to everyone

Merseytravel and the bus and train operators of Merseyside are committed to making travel around Merseyside accessible to everybody.

Here's how we do it.

### New specially designed buses

Every month more and more Easy Access buses are coming into use. These buses are specially designed for people who are less mobile:

- Parents with buggies and small children
- Shoppers with heavy loads to carry
- Wheelchair users
- Older people and those who are less agile

### These buses have special facilities to make getting on and off easy:

- Wide doors
- Low entrances (and some buses kneel and have extending ramps to make them even easier to get on and off)
- Flat floors
- Plenty of bright, colour contrasting easy-grip handrails
- Priority seats for people with mobility difficulties

They are all modern and fitted out to a high standard.

### Which buses have Easy Access facilities?

Easy Access buses display stickers with symbols which tell you what facilities the bus has. Look out for the yellow stickers at the front of your bus to see which Easy Access facilities it has.

- Easy Access for most people including baby buggy and wheelchair users
- These buses kneel to make the entrance lower and have extending ramps. Wide doors, flat floors and easy grip handrails make access easier
- Spaces for buggies and wheelchairs

- Easy Access for people who are less mobile
- These buses have low entrance, wide doors, flat floors and easy grip handrails
- These buses have some steps

- Easy Access for people who are less mobile and for baby buggies
- These buses kneel to make the entrance lower, have wide doors, flat floor and easy grip handrails
- Space for baby buggies

**For information  
or advice on your  
travel arrangements  
ring Traveline on

## Opening up Merseyside to everyone

### Merseytravel Headquarters

At 24 Hatton Garden, our headquarters is a fully accessible building, with ramps, automatic door openers, induction loops and textphone availability.

We can provide all of your ticketing needs from here, from elderly and disabled persons passes, to Trio, Solo and Saveaway tickets.

There is also the facility to take photographs for use on these passes.

### Bus Stations

All of our bus stations are modern, well-lit and have special features such as tactile paving for blind and partially sighted passengers, fully accessible toilets, parent & baby facilities and are staffed by friendly, specially trained personnel. There are also Merseytravel Centres at all of our bus stations, which are fully accessible and fitted with induction loops for hearing impaired passengers.

### Merseyrail

Merseyrail welcomes disabled travellers and is making improvements wherever possible to make travel easier.

Our refurbished trains on the Northern and Wirral Lines have visual and audible announcements to tell you which station you are approaching and where to make connections.

As the accessibility of rail stations varies greatly, we recommend that you plan your journey so that you use stations best equipped and staffed to meet your needs.

If you need help or advice, please call our 'Mobility' helplines.

- For journeys starting on the Northern or Wirral Lines, call 0151 702 2071, 9am to 5pm Monday to Friday (Textphone available) or 0151 702 2704 at all other times. Alternatively you can email [comment@merseyrail.org](mailto:comment@merseyrail.org) (staffed from 9am to 5pm Monday to Friday)
- For journeys starting on the City Line, call 0845 6040231 (7.45am to 8pm Monday to Friday, 9am to 5pm Saturdays and Sundays) or textphone 0845 602 3713.
