services for St Helens

**Are you finding it difficult
to travel to work?**

Then think joblink!

- joblink is provided by Merseytravel.
- joblink offers bus services that will get you to your place of work or training.
- joblink will get you there on time, whether it's early morning or late at night.*
- joblink services are reliable and can help you take up that opportunity.

**Do you want to start a training
course, but there's no direct
public transport?**

In St Helens, Joblink services are now **'Demand Responsive'**, which means if you book a ride, the bus comes to your door and takes you to your workplace or back home again! It's then just like any other bus service - you get on, pay your fare, then get off at your workplace or home.

To book journeys you must first register with Joblink on **0151 330 1702** and become a member. It's easy and free to join. Once you are a member you can start using the service.

You must book a **'Demand Responsive'** journey in advance of travelling.
