Welcome to your new bus timetable

We (Merseytravel) have produced this new bus timetable as your bus service has recently changed. We **do not** run bus services - they are run by private bus companies. However, we pay towards essential bus services which the bus companies do not run. In timetables, these services are called **Merseytravel Bus Services** and are shown by the symbol

How to use this timetable

The timetable is split into routes and days of the week (see **1** below). Please make sure you are looking at the timetable for the right direction you want to travel in. The travel direction is shown across the top of the page.

On the left side of the page there is a list of the main bus stops for the service (see **2** below).

To the left of these stops is a list of numbered boxes (see **3** below) which will help you find the bus stop on the route map (the map is shown on a separate page within the booklet). There is also a description in writing of the route the bus takes.

The time the bus leaves each stop is shown in a column running down the right-hand side of the page (see **4** below). Each column of times is a separate bus journey. Read the column from top to bottom.

First, look for the bus stop nearest where you want to get the bus from. Then, look at the times shown on the same line to find the time nearest when you want to get the bus. Read down the list of times until you get to the time opposite a place near to where you want to get off the bus. The time is your arrival time.

We can't show times for every bus stop, or the timetable would be too big to print in a booklet. Please remember to look for any codes at the top of the page or alongside each column which may change your journey (see **5** below). You can find an explanation of these codes in the 'Codes' box at the bottom of the timetable.

You can find all the bus-stop codes we use in this booklet at the bottom of this page.

In some timetable booklets, we show some of the bus stops in italics (see **6** below). This means we have given a rough time for that stop because the bus company has not given us an exact time.

Here is an example of a timetable.

1 Mondays to Fridays			5
1 Liscard Wallasey Road 2	0751	4	0801
2 Church Road, Brighton Street	0757		0807
3 Poulton Road, Wheatland Lane	0800		0810
4 <i>Poulton Road, Gorsey Lane</i> 6	0804		0814
5 Weatherhead School	0807		0817

The 24-hour clock

In this timetable booklet, we show bus times in the 24-hour clock. For example, 9.42am is shown as '0942' and 3.28pm is shown as '1528'. This clock shows how afternoon and evening times appear in the 24-hour clock.
