## Planned Mersey Tunnels Closures

There are no planned full closures of the Mersey Tunnels.

The Kingsway (Wallasey) Mersey Tunnel:

Resurfacing work on the Kingsway Tunnel approach and exit roads in Wallasey started on Monday 18 March and is planned to run until Easter. Work is scheduled to be carried out between 9pm and 6am mid-week and on Sundays, when traffic is at its lightest, to minimise disruption for tunnel users. Diversions will be in place and drivers are asked to consider this when planning their journeys.

The information given is currently correct however, for a number of reasons, closures may be subject to change at short notice.
